THE GOLDEN AGE AT HAND.

Scriptural Evidences That Are Astonishing—No One Can Afford to Be Without the Knowledge.

We do our friends a valuable service when we call their attention to the valuable book entitled, "THE TIME IS AT HAND," in which are given many Scriptural evidences to prove where we are on the stream of time.

"Men's hearts are failing them for fear" and many of the leading thinkers are proposing remedies to better conditions. The Scriptures assure us that man's extremity will be God's opportunity, and this book holds out an anchor to those who fear the wave of unrest now spreading over the world.

The honest heart confesses that it is at a loss for an explanation of transpiring events. While we refer to this as the BRAIN AGE and the Age of ENLIGHTENMENT, nevertheless many realize that we are fast approaching a crisis which is wrapped in darkness owing to the present world-wide social, religious and political unrest.

As though by instinct the whole creation, while it groans and travails in pain together, waits for, longs for and hopes for the DAY, calling it the "GOLDEN AGE"; yet men grope blindly because not aware of the great Jehovah's gracious purposes. And to his wondering creatures, looking at the length and breadth, the height and depth of the love of God, surpassing all expectation, He explains: "My thoughts are not your thoughts, neither are your ways my ways, saith the Lord; for as the heavens are higher than the earth so are my ways higher than your ways, and my thoughts than your thoughts." Isa. 55:8, 9.

ADMIRE PASTOR RUSSELL'S BOOK.

"The Divine Plan of the Ages." Every One Should Read It.

Atlanta Constitution says: "This wonderful book makes no assertions that are not well sustained by the Scriptures. It is built up stone by stone, and upon every stone is the text, and it becomes a pyramid of God's love, and mercy, and wisdom. There is nothing in the Bible that the Author denies or doubts, but there are many texts that he throws a flood of light upon that seems to uncover their meaning."

It Comforts the Bereaved.
"Bible App" says: "It is impossible to read this book without loving the writer and pondering his wonderful solution of the great mysteries that have troubled us all our lives. There is hardly a family to be found that has not lost some loved one who died outside the church—outside the plan of salvation, and if Calvinism be true, outside of all hope and inside of eternal torment and despair."

DECEMBER BARGAINS

Many of you have stood on the race track and watched the drivers as they were about to close the race how they would use the lash in order to win the race or make a creditable mark. Now we have always run races in our business and have tried each year to make a creditable gain over the previous one.

1910 is fast coming to a close and on December 1st we will begin to lay the lash to our business in the form of Extra Bargains in many lines. We don't want to leave the impression on your mind that

We are Going to Have a Knock Down and Drag out Sale.

but have many bargains that it will pay every man, woman, and child to come and see.

Values in Shoes

We have a lot of "odds and ends" in shoes that we are going to give extra values in.

These shoes will be placed in at a convenient point in our store where you can make your own selection.

A Heavy Lash Here

As we pass by our stock of ladies' and children's cloaks, we are going to lay on the lash so heavily that by Christmas there will none be left. These values are worth hunting.

DUST WILL FLY HERE

As we pass on to our hat stock the lash will be used with considerable force and cause many people to wear good hats for less money than they ever heard of before.

WE WILL STRIKE HEAVY HERE.

Small sized coats and vests for men also youths in second-hand, slightly soiled at such unheard of prices that scarcely any body can afford to miss this that can get a fit.

A powerful lash with both hands:

As we pass over our stock of men's pants we are going to cut them deeper than we have ever seen on the quality of good. Remember this only includes our higher priced pants that we want to close out and not our cheaper grades.

By attending our December Bargain Sale you will save yourself dollars and give us a lot of cheer and help us land the greatest year's business in our history.

We will look for you.
